

GRONK

October 15 – November 12

Reception for the artist:
October 15, 7 – 10 pm

Fresh off the successful debut of Gronk's stage sets for Ainadamar and the Santa Fe Opera, L2kontemporary is pleased to present a selection of recent work that explores the dynamic relationship the artist has with the operatic world.

The scenes presented in the work reflect the artist's "staged" world views, intuitively created in various mediums. Gronk's sense of color and space, which has evolved over time, gives the work an exceptionally lush and rich quality.

Please join Gronk for a discussion of his various recent projects (including Ainadamar) at L2kontemporary on October 22, 7 – 9 pm.
